HSA School Start-Up Package

September, 2018

Dear Parent(s)/Guardians,

The Medford Home and School Association (HSA) would like to welcome you and your children back to another exciting school year! The HSA serves as a conduit between home and school by coordinating volunteers, organizing community events and fundraising.

100% of funds raised are given back to the schools to support school programs and “extras” not included in the school budget such as Smart Boards, playground equipment, and library upgrades.

Our first fundraising opportunity is found below in our Start-Up Package:
